It was brought into existence for a special emergency namely plague & should have been dispensed with when it was no longer required. We had ordered its disbandment in accordance with the orders of Govt, and pointed out that the ordinary requirements of the town could be met by detaching a few men from the Local Reserve but the D.C. does not apparently agree in this view. Subject—(Clause III of Schedule.)

Proposals for the entertainment of 2 Duffedars and 12 Constables for the Chikballapur Town at a cost of ₹ 115/- per mensem.

Secretary's Note.

In December 1898, the Chikballapur Sub Division was formed into a separate charge for Police and Plague administration with Mr.C.Narayana Rao, Acting Extra Assistant Commissioner, in charge, and the following temporary Establishment was sanctioned therefor in Government Proceedings No.8782-83/J 989 dated 27th January 1899:-

Total ₹ 225.

After a time Mr. C.Narayan Rao was ordered to revert to his original place. Thereupon, the clerical establishment allowed for the Chikballapur Sub Division was abolished; but on the recommendation of the Inspector General of Police (Mr.A. Rangaswamiengar) the Police Force of 2 Duffedars

and 12 Constables was ordered to be retained till the end of June 1901. In a subsequent letter the Inspector General requested that in lieu of 2 Duffedars and 12 Constables, 1 Duffedar and 6 Constables at a cost of Rs 58 per mensem might be ordered to be retained pending orders on the re-organization scheme of the Police Force for the whole State which he would submit shortly. This was accordingly sanctioned for 6 months i.e., up to the end of December 1901. After the expiry of the above period the Offg: Inspector General (Mr.B.K.Venkatavard Iyengar) gave orders for the disbandment of the said Police Force. The Deputy Commissioner, Kolar District, without doing so, represented the necessity for the permanent retention of 2 Duffedars and 12 Constables as originally sanctioned, whereupon the Offg: Inspector General referred the matter to Government for orders & stated that if more men were required, they might be detailed out of the District Reserve, as 20 Constables of the Special Reserve Force were stationed at Kolar to meet emergencies. In reply, the Inspector General was asked to point this out to the Deputy Commissioner with the remark that Government considered the entertainment of additional Establishment, when not absolutely necessary, to be inexpedient.

The Present Inspector General (Rao Bahadur Mr. C.Madiah) reports that pending the final decision of Government on the retention of this temporary Establishment, the staff of 2 Duffedars and 12 Constables was kept on till 17th February 1902, i.e., 7½ months after the prescribed date that of 1 Duffedar and 6 Constables up to the end of April 1902, i.e., 4 months after the prescribed period, and requests that sanction may be accorded to their retention up to the periods noted above to enable the Comptroller to adjust the expenditure

3

This has been sanctioned in a separate order.

12

He further urges on the consideration of Government that the permanent retention of 2 Duffedars and 12 Constables as recommended by the Deputy Commissioner is absolutely necessary for the efficient discharge of work in the Chikballapur Town, which is rising in importance and not well-guarded. The Deputy Commissioner says that no men could be spared from the District Reserve. The Special Reserv Constables, who are stationed at Kolar Gold Fields cannot be withdrawn without a proportionate increase in the constabulary in the Fields or if withdrawn, they cannot, in the opinion of the Inspector General, be employed on patrolling or other duties without impairing the efficiency of the Special Reserve Force.

The additional cost involved is shewn below:-

OFFICE OF THE

No. 5150/362 Dated Bangalore 17th May 1902

Enc. 3

From B. K. Venkatavarada Iyengar Esqr.

Offg. INSPECTOR GENERAL OF POLICE IN MYSORE.

To H. V. Nanjundiah Esqr. M.A.M.L.
THE SECRETARY TO THE GOVT. OF MYSORE,
in the GENERAL AND REVENUE DEPARTMENTS.

Sir,

When for purposes of plague preventive measures, the Kolar District was divided into 2 circles and an Assistant Commissioner was placed in charge of the Chickballapoor circle temporarily, some establishment was sanctioned for that officer, as also 2 police Daffêdars on 14 Rs each, 3 constables on 8 Rs each, and 9 constables on 7 Rs each, for duty in the town of Chickballapoor. (vide Government Order No. 87 82-83-9989 of the 27th January 1899). When the temporary division was abolished, the retention of the said force of 2 Daffedars and 12 constables up to the end

end of June 1901 was sanctioned – (vide Government Order No. 14761-62 – J 1486 of the 4th May 1901). – Thereupon the Inspector General Mr. Rungaswamy Iyengar in his letter no: $\frac{445-8}{481}$ of the 11th June 1901 recommended that one of the 2 Daffedars and 6 of the 12 constables might be allowed to remain on till at least the end of December 1901. Order sanctioning the proposal was received after the expiry of that period on the 16th January 1902. (vide Order No. $\frac{1165-1-52}{J\ 947}$ of the 15th January 1902). The same day it was communicated to the Deputy Commissioner of Kolar with a request that the extra hands may be done away with. After 2 months he, in his letter no: C 1702 of the 12th March 1902, recommended the retention of both the Daffedars and all the 12 constables. – On the 18th March 1902 he was informed in my letter no: 549 that they could not be retained as

Pdl. 42 of 00-01

as the period for which their retention had been sanctioned had expired and that if more men were needed for Chickballapoor some of the District reserve men might be sent.— He in his letter no: 272 of the 5th May 1902 says that this cannot be done and that the extra force of 2 D-affedars and 12 constables should be continued.— Copies of the said 3 letters are herewith submitted for orders.— I think that out of the 3 D-affedars and 21 constables of the District reserve one D-affedar and 6 constables may be sent to Chickballapoor, since 20 Constables of the Inspector General's Special reserve force are now stationed in the Kolar District to meet emergencies.—

Sir,

With reference to your no: 3301/163 dated 16/17 January 1902 forwarding copy of Government Proceedings no: 1165-1-5-2/J 947 for information with a request that the men of the town Police at Chickballapoor may be dispensed with after the period sanctioned by Government is over, I have the honor to state as follows: —

The Chickballapoor town is the Head Quarters of the Sub Division with

a Munsiff's Court and a high school. The tow
contains about 3,000 houses and a population of
11,000 souls. It is a place of great merchandise
and traffic, and like all towns where traffic is
carried on in an extensive scale it abounds with
characters who have to be carefully watched.
The periodical evacuation of houses on the advent
of plague, the existence of factions amoung the
people and the turbulent spirit of the populace
throw heavy work on the Police. Besides, the con
stant marches and halts of regiments, the water
and ward of the prisoners of Bagepalli and
Gudibanda talugs who are sent to the Chick
ballapoor Lock up to be escorted to the Central
Jail at Bangalore, the proximity of Nandi
hills where distinguished visitors often come and
above all the rising importance of the town,
all these, go to show conclusively that the
existence of a town Police is of the utmost ne
cessity:— Under the circumstances represented in
the above, I beg you will be so good as to move Go
vernment for a force of 2 Daffedars and 12 Constables be
maintained for the Chickpallapoor town pending the
orders of Government on the Police reorganization
scheme for the State.—

It will be seen from a comparison of the actual with the sanctioned scale that the Deputy Commissioner has one Constable in excess but this is due to his headquarters being Gold Fields and Kolar in both of which places he has Government quarters to be guarded.

As regards the question of withdrawing orderlies from those who have an establishment of dalayets – (ie Magistrates) it has to be stated that Magistrates who hold Courts require at least one constables to preserve order in court and very often they are utilized for escorting under-trial prisoners of the Courts to the lock-up. The one Duffedar and two Constables doing duty as writers in the District Police office keep Cowries "To" and "From" registers, Gang registers &c and also attend to ordinary routine

staff of 4 munshis has been found to be inadequate to cope with the heavey work in the office.

From the foregoing it will be seen that the District Reserve force which is composed mainly of men of long service not fit for active executive work and yet cannot be retired under the Mysore Service Regulations can ill afford to spare men for the Chickballapur town executive work.

found it suitable & cd. work with Pol. work with Pol. clerk without taking away men wkg for Executive duty

This can hardly stand. Those that are not fit cannot do, when the blood is up & do the work of their post

The strength of the Chickballapur Taluq after the abolition of the reserve is 59 Duffedars and 38 constables and this has to be distributed over 1 Head station and 4 Substations and one Central Lock-up.

Under the above circumstances the undersigned begs that he will be so good as to move Government to accord sanction for a force of 2 Duffedars and 12 Constables being maintained for the Chickballapur

133 dated 1st November 1902 from

Deputy Commissioner, Kolar, —

laining the circumstances under

ch the temporary establishment of

Daffedars and 12 Constables sanctioned

the Chickballapur Town at a cost

of Rs 115 was retained up to the 1st February 1902 and one half of it viz, one Daffedar and 6 Constables at a cost of ~~Rs~~ 58/- up to end of April 1902, and with reference thereto, I beg to state that the Deputy Commissioner made repeated representations from time to time regarding the necessity for the retention of two Daffedars and 12 Constables for the Chickballapur Town. Mr. A. Rangasawmiengar, who was then Inspector General of Police recommended the retention of the temporary establishment pending the submission of the Revision Scheme which was then under the consideration of this office and for which particulars were being collected from Districts.

In Proceedings No: 14761-62/J1486 dated 4th May 1901, the government sanctioned the retention of the above force up to the end of June 1901. A further representation from this Office was made in letter No: 4458/481 of the 10th June 1901 on the subject

Sl. No. 142 of 1902

subject in which it was clearly stated that if the scheme for the Kolar District were fully revised, it was not likely that the existing Establishment would be found quite sufficient for the whole District and that some increase would be absolutely necessary. In the same letter, it was recommended that if the Government was not prepared to sanction the retention of the whole of the above temporary establishment, at least one half of it, viz, one Daffedar and 6 constables costing Rs 58 per mensem might be sanctioned pending orders of Government on the Police re-organization scheme for the State, or at least for a period of 6 months from 1st July 1901. This latter proposal was sanctioned in Proceedings No: 11651-52/J947 dated 15th January 1902. In forwarding copy of the above order, the Deputy Commissioner was asked in this office No: 3301/163 dated 17:1:1902 to abolish the temporary establishment as the period sanctioned

this, he, in his letter No: C1702 dated 12th March 1902 explained in detail the various requirements of the Chickballapur Town and strongly recommended the necessity for the full complement of two Duffedars and 12 Constables being retained pending orders of Government on the re-organization scheme. In reply to this the Deputy Commissioner was asked by the Officiating Inspector General in his office letter No: 549 of the 18th March 1902 that the temporary force should be abolished as ordered by Government, that if more men were required for the Chickballapur Town, they should be sent from the District Reserve, and if necessary Police orderlies withdrawn from those Officers who had Dhalayats, and if after this more men were required, a proposition statement might be submitted with

an explanatory letter showing the
present and required strength of Po
for Chickballapur, the number of me
in the District Reserve and lastly ho
the services of the latter were utilize
The Deputy Commissioner submitted a
elaborate report on all the above poin
with a Proposition Statement for two
Daffedars and 12 Constables referre
to above in his letter No: 272 of the
5th May 1902. A report based on it
was submitted to Government in the
Office letter No: 5760-/362 dated 17th May
but the Government ordered in their
docket No: 18778/1719 dated 2nd June 19
that the entertainment of the additio
establishment when not absolutely
necessary was inexpedient.

From the Deputy Commissioner's le
of the 1st November 1902 referred to
above, it will be seen that while the
subject matter was under correspondence
with Government, the temporary establish
of two Daffedars and 12 Constables w

kept on, pending the decision of Government on the several representations made by him, and that on the receipt of the Proceedings of the 15th ult. January 1902 effect was given to the Government order partially by dispensing with the services of one Daffedar and 6 Constables from the 18th ult. February 1902 and of the remaining hands from the 1st ult. May 1902. Here I beg respectfully to urge on the consideration of Government that the retention of the Police Force of two Daffedars and 12 Constables is absolutely necessary for the efficient discharge of work in the town of Chickballapur which is rising in importance, and is not well guarded. The Deputy Commissioner has clearly shewn that no men could be spared from the District Reserve Force. The Special Reserve Constables who are now employed in the Gold Fields cannot, the Deputy Commissioner says in a separate reference,

be withdrawn without a proportionate increase of Constabulary in the Gold Fields, or if withdrawn they cannot, in my opinion, be employed on beat and other duties without impairing the efficiency of the Special Reserve Force.

Under these circumstances, I request early sanction may be accorded to the above proposal and the retention of two Daffedars and 12 Constables up to the 17th February 1902 and of one Daffedar and 6 Constables up to end of April 1902 to enable the Comptroller to adjust the expenditure already incurred.

Sir,

I have the honor to enclose herein copies of objection slips received from the Comptroller for the overpayments made from 1st July to the end of December /01 on account of the temporary Police force sanctioned to the Chickballapur Sub Division and to state that the above sum as also that paid since January 1902 to the end of April was incurred

below.

2. Consequent on the Chickballapur riots in 1898 and the growing necessities for the increase of the Police force to the Chickballapur Sub Division, a special reserve consisting of 2 Duffedars and 12 Constables costing Rs 115/- per month was sanctioned temporarily in Government Proceedings No: 8782-8/J989 dated 27:1:1899, received in Government Proceedings No: 14761-62/J1486 dated 4:5:01 and continued pending the revision of the Police Establishment of the Province and the proposals (Docket No: 110 dated 25/26:10:99) to the Inspector General of Police from this office for its retention permanently as Chikkaballapur is an important town in point of population and trade.

At this stage, Government Proceedings No: 11651/947 dated 15:1:02 sanctioning the retention of only one Duffedar and 6 Constables till the end

Camp No: 170 dated 12.3.02 to 14.4.

of December 1901 was received here at the beginning of February 1902. In giving effect to it, half of the force viz, one Duffedar and 6 Constables was abolished on the 18th February 02 and the other half, i.e. 1 Duffedar and 6 Constables were kept on till the end of April 1902 pending marginally noted correspondence with you. The Government was however not inclined to sanction any extra force.

Thus it will be seen that the extra force of 2 Duffedars and 12 Constables costing Rs 115/- per mensem was maintained till 17th February 1902 in view that its retention will as usual be sanctioned before the close of the year pending revision of Police Establishment for the Province and the recommendation from this District on the matter and a force of 1 Duffedar and 6 Constables costing Rs 57/- was retained till the end of April 1902 pending correspondence referred to above.
